

celluma®

NEW Vendor Spotlight!

Celluma Light Therapy is giving ASNY members a discount on these great LED devices for use in your clinic or home!

● **Celluma PRO \$1295:**

Our #1 best-selling device for safe, clinically proven, FDA-cleared treatment of acne, aging skin, aches and pain. A battery-powered 3-in-1 device with our patented shape-taking design, considered the gold-standard by medical professionals worldwide, and more awards than any LED device in the world.

● **Celluma HOME \$645:**

A battery-powered 2-mode compact device FDA cleared for treating age-specific challenges including wrinkles, arthritic pain, poor circulation, muscle strains and sprains, and much more!

● **Bundle price for BOTH devices \$1890**

This is a special offer for ASNY members only. **Call Andrew Wilk at 917-277-9885** and take advantage of these great savings! Offer ends 11:59m EST November 30, 2024.

* These discounts are in addition to the professional pricing Celluma already offers.
